

Teachers: Have students draw a fire-safety picture.

ASK grown-ups to blow out candles
to blow out candles

TEACHERS: Have children choose one of these fire-safety tips to draw.

- Keep space heaters away from things that can burn.
- Ask grown-ups to blow out candles before leaving a room.
- Remind grown-ups to stay in the kitchen when cooking on the stovetop.
- Do not put too many plugs into an outlet.

Send drawings to Scholastic. Download the official entry form at scholastic.com/firesafety. Your students' drawings could be featured on our site!
